Report of World Down Syndrome Day Celebration – 21/03/2024

World World Down Syndrome day is celebrated on 21st March every year. We celebrated World Down Syndrome day at 10.00 am. And end at 12.00 pm. During the day In college campus the program was conducted under the guidance of Mrs. Jyothi N. Chef guest of program was Dr. Dattatrya Pawar & Dr Asmita Bhadre.

Program started with the introduction of day, History of celebrating every year, its importance. This year 2024 World Down Syndrome Day's theme is "End The Stereotypes". The theme is to increase public awareness of the difficulties that individuals with Down syndrome encounter as a result of misconceptions and discrimination.

World Down Syndrome Day, observed annually on March 21st, is a day of celebration, advocacy, and awareness. It's a day dedicated to recognizing the inherent dignity, worth, and rights of individuals with Down syndrome. In 2024, as we commemorate this special day, it's crucial to reflect on the progress made in promoting inclusivity and supporting individuals with Down syndrome while also acknowledging the challenges that still exist. Program came to an end at 12.00pm with vote of thanks by Ms. Swati Yevandge.
