### MENTORSHIP PROGRAMME

- The goal of a mentorship programme is to accelerate the personal and professional development of mentee.
- This is achieved by providing mentee with guidance, advice and feedback from mentors with more experience than themselves.

#### Common objectives

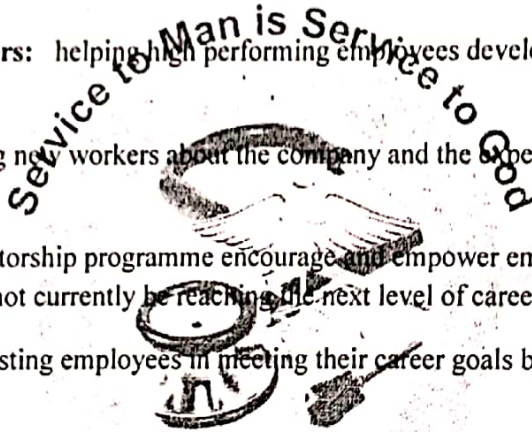

**Develop Emerging Leaders:** helping high performing employees develop their leadership abilities.

**Onboard Faster:** teaching new workers about the company and the expectations of management.

**Promote Diversity:** mentorship programme encourage and empower employees from minority groups who may not currently be reaching the next level of career development.

**Career Development:** assisting employees in meeting their career goals by honing new capabilities.

**Remote Work:** allow people to build their career and network in a remote work environment.

**Succession Planning:** seasoned workers who will be moving into retirement can impart their knowledge and wisdom to those who will take over when they leave.

**Improving Culture:** building productive relationship among co-workers can lead to a healthier workplace culture.

**Reputation Building:** organizations who show a commitment to their employees development will gain a reputation as a desirable place to work.

#### **STUDENT WELFARE:**

- To support the student in various services.
- To recommend on policies relating to student welfare.
- To recommend on the enhancement of student facilities during the course of study.
- To address the relevant issues of students and give suggestion.
