EXPERIENTIAL LEARNING OPPORTUNITIES FOR STUDENTS

- Encourage students to develop entrepreneurial skills and mindset through various initiatives.
- Integration Strategies:
 1. **Cross-Curricular Connections:**
 - Identify opportunities for interdisciplinary collaboration and integration of enterprise-related activities across different courses.
 - Examples: Coordinating projects with business, marketing, and finance courses.
 2. **Project-Based Learning:**
 - Design instructional activities that incorporate real-world enterprise challenges and opportunities.
 - Examples: Collaborative projects with local businesses, where students apply their skills to solve practical problems.
 3. **Experiential Learning Opportunities:**
 - Emphasize experiential learning through internships, field trips, and industry engagements.
 - Examples: Site visits to local businesses, participation in industry conferences and events.
- Assessment and Evaluation:
 - Develop assessment criteria that align with both instructional and enterprise-related activities, assessing students' understanding, skills, and competencies in relevant areas.
 - Evaluation is done through the presentation

Conclusion: experiential learning opportunities are an integral part for encouragement to the students for uplifting the skills.
