

Documentation of Activities Organized under NSS Banner:

1. Cancer Day:

○ **Date:** 4/2/2023

○ **Objective:**

To make aware the community regarding prevention and early detection of cancer.

To gain leadership quality in the students.

○ **Activities:** Activities for Cancer Day:

1. Awareness Sessions:

○ Conduct presentations or workshops to educate participants about different types of cancer, risk factors, symptoms, and preventive measures.

2. Health Check-up Camps:

○ Organize health check-up camps where participants can undergo screening tests for early detection of cancer.

3. Guest Speaker Sessions:

○ Invite healthcare professionals, survivors, or experts to share their experiences, insights, and tips for cancer prevention and management.

4. Fundraising Events:

○ Organize fundraising events such as charity walks, runs, or auctions to raise funds for cancer research, treatment, or support services.

5. Support Group Meetings:

○ Facilitate support group meetings where individuals affected by cancer can share their stories, seek emotional support, and connect with others facing similar challenges.

6. Art Therapy Workshops:

○ Conduct art therapy workshops where participants can express their emotions, fears, and hopes related to cancer through creative activities such as painting, writing, or music.

7. Awareness Campaigns:

2. Road Accident Safety Awareness:

- **Date:** 12/1/2023
- **Objective:** [to make the students staffs as well as community through the programme.

Activities for Road Accident Safety Awareness:

1. Road Safety Workshops:

- Organize workshops or seminars to educate participants about road safety rules, traffic signs, and safe driving practices.

2. Mock Drills:

- Conduct mock drills or simulations to demonstrate the consequences of road accidents and the importance of wearing seat belts, helmets, and other safety gear.

3. First Aid Training:

- Provide first aid training sessions to teach participants how to respond effectively to road accidents and provide immediate assistance to victims.

4. Interactive Demonstrations:

- Arrange interactive demonstrations of safety equipment such as airbags, child car seats, and reflective clothing to raise awareness about their importance in preventing injuries.

5. Guest Lectures:

- Invite traffic police officers, road safety experts, or survivors of road accidents to deliver guest lectures and share their knowledge and experiences.

6. Poster and Slogan Competitions:

- Organize poster-making and slogan-writing competitions among students to promote road safety awareness and encourage creativity.

7. Community Outreach Programs:

- Collaborate with local authorities, schools, and community organizations to conduct road safety awareness campaigns in neighborhoods, villages, or urban areas.
