A REPORT ON BLOOD DONATION CAMP

Report on : Blood Donation Camp

Date : 7th February 2024

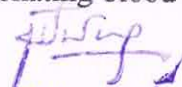

Venue : Chandraai Hospital SVCON, Udgir.

A Blood donation camp was organized by Alumni association unit, of Swami Vivekanand nursing, Udgir through which more than 78 units of blood was donated by both students and the staff members of our college. It is a way of SVCON College gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Objectives:

- To make aware the people all over the country about the importance of the voluntary blood donation.
- To successfully achieve the target of Voluntary Blood Donation to fulfill the urgent need of the needy patients.
- To store the blood in stock in blood banks for any urgent and serious requirement.
- To promote and emphasize the self-esteem of blood donors through a lot of thanks.
- To motivate and encourage people who are not interested in donating blood even being a healthy person.
- To stimulate people to donate blood voluntarily who are interested in donating blood only to their relatives or friends.

TREE PLANTATION

Our environment is a priceless gift of God and taking care of it is a prime duty of human being. Following huge deforestation and industrialization, there is an intense need to replenish the greener loss. Keeping this noble cause in mind, Alumni association put a step ahead and organized large scale tree plantation campaign in Swami Vivekanand College of Nursing, Udgir at 11/5/2018.

The program was conducted in presence of Honorable President Dr. Prof. Sudhir B. Jagtap as chief guest along with Dr. Sheshnarayan L. Jadhav as the guest of honour. Big number of students and faculty staff of college, were present for the event. Principal of the college Mrs. Jyoti N. Tare welcomed the crowd. Formal inauguration of program was carried out by delegates. All delegated were honored with a memento and flowers as a token of love. The Chief Guest was delighted with the efforts made by alumni association team, and promised for every support in future. Dr. Sheshnarayan L. Jadhav shared information about tree plantation science. Former President of Alumni association shared his visionary views on the dais. Poster competition was held for the college students under the topic 'Save Environment'. Lot of creative ideas was displayed by the students in the form of posters. Winners of the completion were awarded prizes.

The basic target was to plant more than one thousand trees in the environment. The entire Alumni Association team, without fearing rain and wind, worked day and night to take up the task. Moreover, prior to plantation program, a survey was conducted by Alumni Association team in nearby villages. Alumni association members went door to door for doing this survey.
